“Surviving *Survivor* - What it is like being on the TV Show *Survivor*”

Presented by: Betsy Bolan

Betsy Bolan knows that her dream of becoming a contestant on *Survivor* would never have become a "reality" if it wasn't for her friends, neighbors and townspeople of Campton. Betsy would like to thank everyone and share her experience. Come hear about the "behind-the-scenes" of the number 1 reality show (13 million viewers) . It took Betsy 6 years and 13 tapes to finally be on the show. Find out what made her keep trying. Is Evil Russell really evil? Do producers give the contestants food when the cameras are not rolling? Is Jeff Probst short? What happens when you get voted off? Betsy is horrible at keeping secrets and would love to spill the beans..you won't get a chance like this again!

The presentation will be at the Old Town Hall in Campton, which is handicap accessible, and open to the public. Refreshments will be served. For information about the Society, check our web site at www.camptonhistorical.org
