

Campton Historical Society and the Campton Public Library Presents

Pot Luck, Popcorn, and a Free Flick – Open to the public

- ❖ Saturday, February 10th
- ❖ 5:00-6:00 Pot Luck Dinner, Movie 6:00ish
- ❖ Bring the whole family!
- ❖ Campton Historical Society (Old Town Hall Rt. 175 north of Blair Bridge Road)

Opening film: *'Teddy at the Throttle'* (1916), which is a Keystone comedy that Gloria starred in before she made the transition to dramatic superstar.

Intermission

Feature attraction: *"Zaza"* (1922) starring Gloria Swanson;. Comedy/romance set in France in which Swanson plays a hot-tempered provincial actress who gets entangled with a married diplomat. Swanson's ebullience in *Zaza* was unfeigned; she called it "the fastest, easiest, most enjoyable picture I ever made." Length: 65 minutes.

Jeff Rapsis will be taking his place to accompany the two features. There's a reason he will have no sheet music on his keyboard - it's because he'll be making up the music right there on the spot. And it won't be rinky-tink piano accompaniment. Rapsis, a New Hampshire-based musician and composer, will use a digital synthesizer to recreate the texture of the full orchestra, complete with pounding drums and clashing cymbals, all produced in real time by a traditional keyboard with 88 keys.
