"Our Experiences on Mount Washington"

Presented by: Preston & Brenda Conklin

The Mt. Washington Observatory is a nonprofit organization whose members can volunteer to cook and clean for the staff in exchange for living atop the mountain for a week. We did that for one summer week and one winter week.

The presentation will be at the Old Town Hall in Campton, which is handicap accessible, and open to the public. Refreshments will be served. For information about the Society, check our web site at www.camptonhistorical.org
