**"Wrecks of Winnepesaukee"
Presented by: Hans Hug, Jr.**

Hans has been an avid diver for more than 30 years throughout New England, ranging from the Connecticut River to Cape Ann to Cape Cod. He enjoys lobster and scallop diving, searching for shipwrecks and artifacts, including bottles, guns, ceramics and more. He has dived all over Winnepesaukee, using sophisticated side scan sonar equipment when he searches. He has located more than 80 wrecks in the lake including large pieces of the original steamer Mt. Washington, captured hundreds of images on side scan sonar and photographed and videotaped all of the wrecks. A brief video will be played of one of his ship wreck dives along with photographs and sonar images of wrecks. The presentation is free and will last approx. 80 minutes with lots of time for questions afterwards.

Special Events:

The presentation will be at the Old Town Hall in Campton, which is handicap accessible, and open to the public. Refreshments will be served. For information about the Society, check our web site at www.camptonhistorical.org

This event is made possible thanks in part to the following business sponsors:

- Annie's Overflow Restaurant
- Bank of New Hampshire
- Central NH Chamber of Commerce
