"Muir Trail"

Presented by: Charles Dona

Charles Dona lives and works in beautiful Holderness, NH. He spends much of his spare time in the outdoors doing a varied selection of activities: fishing, canoeing, backpacking, cycling, cross country skiing, and snowshoeing. His most valued recreational accomplishments involve travel under his own power, including thru-hikes of the Appalachian, Long, Colorado, and John Muir trails. He has completed two 50-mile ultra marathons, a marathon on snowshoes, the world-championship Spartan race at Killington, placed second at a 24 hour solo mountain bike race, climbed the highest peak in each New England state and NY in the winter in record time, and climbed each of the 48 four thousand foot mountains in NH twice, including once in the winter months.

His presentation on June 16th for the Campton Historical Society will be on his 2012 hike of America's most famous trail, The John Muir trail. "Stretching 212 miles from Mt. Whitney to Yosemite Valley, California's famed JMT passes through some of the most dramatic scenery in the country – massive granite peaks, dizzying waterfalls, pristine alpine lakes, and vibrant meadows filled with Sierra wildflowers" (Elizabeth Wenk). Charles's presentation will include 100's of slides, music, brief history of the trail, equipment/clothing used, how to prepare for the journey, and what one can expect in California's high Sierra Nevada mountain range.

"The Mountains are Calling and I must go" (John Muir)

The presentation will be at the Old Town Hall in Campton, which is handicap accessible, and open to the public. Refreshments will be served. For information about the Society, check our web site at www.camptonhistorical.org

Upcoming events: www.camptonhistorical.org for more information.
