

"A Timeline of Beebe River"

Presented by: Tink Taylor

Tink will give a timeline of key events at Beebe River; how it came to be, how it took on the characteristics of an Industrial Utopia, then how it was scuttled in the name of corporate takeover. After that, he will ask those present to fill in the blanks for there are many who know a great deal more about life there .

Tink Taylor has for years, as North Country Bureau correspondent has written a great deal about events at Beebe River. He is anxious to learn much more from those who worked/lived there.

The presentation will be at the Old Town Hall in Campton, which is handicap accessible, and open to the public. Refreshments will be served. For information about the Society, check our web site at www.camptonhistorical.org
