

Music in the Spring

Saturday, May 28, 2011 at 7:30

CAMPTON HISTORICAL SOCIETY PRESENTS:

The Mardin and Thompson Boys

Due for unforeseen circumstances the **Crunchy Western Boys** will be unable to play but there will still be a band playing for the spring concert. After weighing many options, we decided the best solution was to refund the concert tickets and have a **free concert** featuring The Mardin and Thompson Boys. Donations are gratefully accepted.

Country and Bluegrass - They will be playing a “jam session” type show, a mix of country and some bluegrass. This group of musicians is accomplished players of many instruments

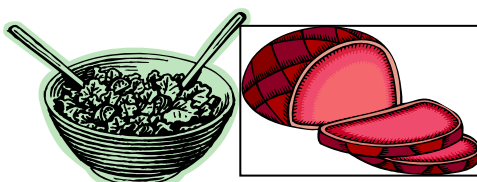

The Ham and Bean Supper is still on from 6:00 - 7:00; tickets cost \$6 per person, children under 12 free. There are only 55 tickets and many have already sold so please call Paul Yelle at 536-5995 to reserve yours.

If you already have bought concert tickets, call Paul for refund options. Thank you for your understanding.
