Carol Lenahan
Jr Joyce
Dan Boyton

Campton Elementary Students made the model shown on the left. The final design has very similar proportions but using the layout on the right. The inscription in the banner reads - *Campton honors all those who served in our Nation's Armed Forces*. The town seal and emblems for each of the armed forces are represented on the bronze discs with a black and gold finish. Local landscaper, Jane Hilliard, will install pavers, plantings and a granite bench.
