

THE SPIRIT OF SERVICE: CIVIC ENGAGEMENT

The Spirit of Service explores service as a core American value, from the nation's founding through to the present day - examining volunteerism, civic participation, public leadership, and more.

Join the Pemigewasset Valley Chapter, DAR, and the Campton Historical Society for a special screening of Spirit of Service, an excerpt from the Ken Burns documentary *The American Revolution*. The film reflects on the enduring ideal of service in American life while tracing how a diverse 18th-century population united to form a new nation. Following the screening, there will be a brief, moderated discussion. This event offers an opportunity to connect national events with our own history here in Grafton County.
